## **ORDINANCES AND RESOLUTIONS EXPLANATION:**

A governing body of a municipality may formally act through ordinances or resolutions. Ordinances usually encompass legislative acts. Resolutions usually deal with administrative or acts performed according to legal authority, established procedures or instructions from the Common Council.

### **Ordinances:**

An act initiated by the Common Council that becomes law. The violation of an ordinance may result in summonses being issued. Generally, an ordinance remains in effect until repealed or modified and may not be amended or modified by a resolution. It requires a public hearing and publications in the town's legal paper before becoming effective. Examples of ordinances are those which deal with changing parking or speed limit requirements, code enforcement, implementing State mandates at the local level and creating boards or commissions.

---

### **Resolutions:**

Any act or regulation that is required to be reduced to writing but may be finally passed at the meeting at which it is introduced. The legal effect of a resolution is the same as an ordinance except summonses cannot be issued for their violation. Generally, life of a resolution is permanent unless there is language to the contrary. Typical resolutions deal with: Opinion expressions; Requests for action to other elected officials or bodies or governmental agency[s]; One-time actions and Routine authorizations such as making appointments and awarding contracts.
