City Administrator: Michael F. Rogers (908) 522-3600

Media Contact: Amy Cairns (732) 713-8964

### **Four-way Stop Installed at Intersection of Canoe Brook Parkway and Hartley Road**

SUMMIT, N.J., September 15, 2022 – As part of a coordinated effort to enhance traffic safety and promote traffic calming measures that include community outreach and education, lower speed limits, speed humps, and flashing beacons, the Summit Police Department and Department of Community Services engineering division have installed a four-way stop at the intersection of Canoe Brook Parkway and Hartley Road. The four-way stop is intended to help reduce accidents on a section of roadway with significant vehicle, bicycle, and pedestrian traffic.

“Four-way stops at busy intersections have worked well as safety and traffic calming measures,” explains Summit Police Chief Steven Zagorski. “The police department and engineering division will continue to work with Mayor Radest, Common Council, and area residents to ensure our city roadways continue to be safe for those that travel on them.”

Chief Zagorski asks motorists to avoid unsafe driving practices by allowing ample time for travel to your destination.
