### **Summit Fire Department to Honor Fallen Firefighters**

SUMMIT, NJ, September 30, 2022 – The City of Summit Fire Department is joining the National Fallen Firefighters Foundation for the Light the Night for Fallen Firefighters event beginning Sunday, October 2 through Sunday, October 9, 2022. The memorial bell located at fire headquarters at 396 Broad Street will be illuminated in red from October 2 to 9.

Throughout the country, fire departments and service organizations, businesses, community organizations, and homes are invited to “light up red” during the week of October 2 to 9 in honor and remembrance of the sacrifice of America’s fallen fire heroes.

“We are proud to participate in this important event honoring our fallen brothers and sisters,” explains Fire Chief Eric Evers. “Though we are dedicated to serving the community in this way, we know this job doesn’t come without risks. Our hearts are with those who have lost a friend or family member who served as a firefighter, and we hope this event honors their memory.”
