

# Passaic River Trail

## Passaic River Park

### City of Summit

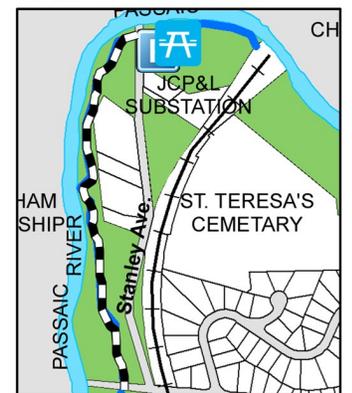

**Trail 1 - 0.3 miles**

**Trail 2 - 0.25 miles**

**Trail 3 - 0.5 miles**

For unguided walks, a half-mile walk within the area indicated by the circle is a good choice. The trail starts at the kiosk near the gravel parking area, and comes out onto New Providence Ave. between the Transfer Station and the kiosk.

Begin the route by following the yellow trail blazes. When you get close to Mount Vernon Ave., you will see a path to your left, with blue blazes, which winds down to the river. Walk down to the river, then turn left, with the river on your right. This part is not blazed. After you cross the stream with the large stepping stones, head up the wooden and gravel steps rather than continuing along the river.

At the top of the steps, you can pick up the yellow trail again until it lets you out onto New Providence Ave.

Please stay on the trail and watch out for poison ivy and ticks!
