MUNICIPAL TRANSFER STATION & COMPOST/RECYCLING CENTER

FAQs:

Who may use the facility?

To use the Municipal Transfer Station and the Compost and Recycling Center, you must be a Summit resident and currently reside at a Summit address. If you own a property but do not live there, you are considered a business. An owner can purchase a coupon to access the facility with proof of ownership of the residence. All commercial regulations and dumping regulations apply.

Do I need a permit to use the facility?

A valid permit for a registered vehicle, is required to enter the Municipal Transfer Station. Upon arrival, the license plate of the vehicle will be scanned and access will be allowed or denied. To obtain a permit, apply online at cityofsummit.org/370/Disposal-Parking-Permits. For questions on the permit application process, contact the Parking Services Agency at (908) 522-5100.

What is the procedure if I borrow or rent a vehicle?

Residents borrowing vehicles need to obtain a temporary pass available from the Department of Community Services on the second floor at City Hall. The following information must be provided for the borrowed vehicle: make, model, year, color, license plate number, state of vehicle registration, name of person driving, and designation as a commercial or private vehicle. The pass will be valid for up to three trips in a 30-day period.

Building materials will be accepted at the transfer station from homeowners only, in limited quantities, not in excess of 40 gallons per trip. Building materials are only accepted from contractors with the purchase of coupons at City Hall (40 gallon trip limit applies). Hazardous materials will not be accepted. A schedule for Union County hazardous material collection days is available at ucnj.org.

What is considered a commercial vehicle and what are the rules governing use?

Commercial vehicles include rental trucks, vans, pickup trucks or any vehicles that are marked with a business name or have a commercial license plate. Contractors with proof of working for a Summit resident can purchase coupons. All Municipal Transfer Station regulations apply. (No commercial vehicles are allowed in the Transfer Station on Saturdays.)

I am a Summit resident, but pay a landscaper to maintain my property. Are they allowed to use the facility at no charge?

Resident homeowners are allowed to use the Transfer Station facility with a proper permit. Landscapers must purchase coupons available for businesses at the Department of Community Services on the second floor at City Hall.
