ALARM TYPE	SELECT ONE
<u>NEW COMMERCIAL DIRECT DIAL ALARM:</u> For first time registrants only of commercial building properties. Direct Dial is defined as an alarm that when activated, the police/fire department are immediately notified.	
<u>NEW COMMERCIAL CENTRAL STATION ALARM:</u> For first time registrants only of commercial building properties. Central Station is defined as an alarm that when activated, the monitoring company will try to contact the property owner first, and then will contact the police/fire department if necessary.	
<u>NEW COMMERCIAL TAPE DIALER ALARM:</u> For first time registrants only of commercial building properties. Tape Dialer is defined as an alarm that when activated, the system automatically selects a telephone trunk line of the police/fire department and then reproduces a pre-recorded message.	
<u>NEW COMMERCIAL WARNING DEVICE/LOCAL AUDIBLE ALARM:</u> For first time registrants only of commercial building properties. A Warning Device/Local Audible Alarm is defined as an alarm that when activated, sounds a loud audible noise.	
<u>RENEWAL COMMERCIAL DIRECT DIAL ALARM:</u> Annual renewals only for commercial building properties. Direct Dial is defined as an alarm that when activated, the police/fire department are immediately notified.	
<u>RENEWAL COMMERCIAL CENTRAL STATION ALARM:</u> Annual renewals only for commercial building properties. Central Station is defined as an alarm that when activated, the monitoring company will try to contact the property owner first, and then will contact the police/fire department if necessary.	
<u>RENEWAL COMMERCIAL TAPE DIALER ALARM:</u> Annual renewals only for commercial building properties. Tape Dialer is defined as an alarm that when activated, the system automatically selects a telephone trunk line of the police/fire department and then reproduces a pre-recorded message.	
<u>RENEWAL COMMERCIAL WARNING DEVICE/LOCAL AUDIBLE ALARM:</u> Annual renewals only for commercial building properties. A Warning Device/Local Audible Alarm is defined as an alarm that when activated, sounds a loud audible noise.
