NOTES

- If authorization of bonds or notes is permitted by an exception to the debt limit, specify the particular paragraph of NJSA 40A:2-7 or other section of law providing such exception.

 This form is also to be used in the bonding of separate (not Type I) school districts as required by NJSA 18A:24-16, and filed before the school district election. In such case pages 4, 5 and 6 should be completed to set forth the computation supporting any deduction in line 3 above.

 Only the account of bonds or notes about to be authorized should be entered. The amount of the "down payment" provided in the bond ordinance

- should not be included nor shown as a deduction.
