September 11th Observance

On Wednesday, September 11, 2019, members of the Summit Fire Department ask you to join them in a Memorial Observance of this tragic day 18 years ago.

If you wish to attend the September 11th observance, plan to arrive at 9:55 A.M. at Fire Headquarters and we will gather at the Memorial Bell shortly thereafter for a brief ceremony in honor of all the people lost that day.
