

Trick-or-Treating Guidance

Have a safe and happy Halloween in Summit!

for Trick-or-Treaters:

- Wear a mask that covers your mouth and nose when trick-or-treating and giving candy. Costume masks do not count.
- Limit your group to current household members.
- Maintain a distance of six feet from others not in your household.
- Use hand sanitizer frequently.
- Limit the number of homes on your route. Do not go inside homes. Do not ring door bells or knock on doors.
- Only accept candy that is in factory sealed packaging.
- Wipe down wrapped candy before opening.
- As always ... be careful crossing the street, wear reflective clothing and carry a flashlight!

When giving out treats:

- Turn off your porch light if you do not want trick-or-treaters.
- Stay outdoors when giving out treats.
- Wear a mask, wash your hands and use hand sanitizer before and after passing out candy. Disposable gloves are an option too.
- Limit close contact with trick-or-treaters.
- Arrange treats so that children may grab and go without accessing a shared bowl.

As a reminder, no one should participate in Halloween activities if they or a household member have a known exposure to COVID-19, and are sick or symptomatic.
