Preview of November 1 Common Council meeting agenda by Council President Marjorie Fox

The next Common Council meeting will be held on Tuesday, November 1 at 7:30PM in the Council Chamber at City Hall.

Council will hold a public hearing and vote on an ordinance to fund an emergency appropriation of \$2M to provide for Summit's share of the unfunded portion of the Phase I flood mitigation project for the Joint Meeting of Essex and Union Counties. When this phase of the project is completed, 90% of the cost will be reimbursed by FEMA. This work is essential to ensure the continued operation of the wastewater treatment plant that serves 12 communities.

The Safety and Health Committee will introduce an ordinance that codifies the promotional process for police officers for positions of police chief, captain, lieutenant, and sergeant. These appointments are based on merit, experience, education, demonstrated ability, competitive examinations and competitive written submissions. The hearing will be held on November 14.

The Finance Committee will introduce a resolution to approve the New Jersey Department of Community Affairs Best Practice Inventory Program. This is an annual inventory that must be completed and placed on the Common Council agenda for discussion to be eligible for state aid. Summit earned a score of 30.5; a score of 24 was required to receive 100% of state aid.
