Preview of December 20 Common Council meeting agenda by Council President Marjorie Fox

The next Common Council meeting will be held on Tuesday, December 20 at 7:30PM in Council Chamber at City Hall.

Council will hold a public hearing and vote on an ordinance to establish a seasonal parklet program only in areas of the downtown where it is not possible to safely or practicably accommodate a sidewalk café. This is a change that is being considered because of the increased demand for parking spaces, particularly on Union Place. In past years restaurants were able to have both a parklet and a sidewalk café.

The Community Programs and Parking Services Committee will introduce a pair of resolutions to renew the Uber and Lyft ridesharing program and to change its fee structure. This program was implemented in 2016 to help alleviate stress on the city's parking infrastructure. As the need for parking in the Broad Street Garage increases, the fee structure can be adjusted to respond to demand for commuter parking.

Council will consider a number of resolutions to authorize professional services contracts for legal services, consultant engineering services, information technology support, risk management consulting, planning services, and forester services. These contract fees are not to exceed stated amounts and the city will only be billed for actual services rendered by these professionals. In the case of the engineering services, fees are paid out of capital budget funds associated with capital projects.

Members of the public may comment by email to cityclerk@cityofsummit.org.

Comments must be received by noon on December 20. The rules for public comments are posted on the city [website](#). Duplicative or substantially similar comments may be summarized by the clerk and the clerk will stop reading emailed comments after three minutes.

Every Common Council meeting is broadcast live on the City of Summit [YouTube Channel](#), and HTTV Verizon channel 30 and Comcast channel 36 and 34.
